

PRESIDENT DEPARTMENT RESPONSIBILITIES

1. The President, President Elect and the Past President are responsible for the leadership of the chapter by overseeing the Board of Directors of our chapter.
2. We help to unify and guide the Directors to lead a shared vision for our chapter through financial responsibility, non-profit status governance, communication, marketing, membership and program/event direction.
3. We are the official representative to National ATD and work with our National advisor to learn and grow with all the other chapters of ATD.
4. We help and support all the departments and committees in the organization, as well as promote our chapter health by maintaining relationships with our past presidents and board members.

THE MOST FUN THING ABOUT THE PRESIDENT ROLE?

- Being able to meet and work with so many of our members! In the President role, we have a ability to lead and learn from a very dynamic group of volunteers, all dedicated to furthering the professional development and networking connections for our members.
- It really is fun to be able to stretch and grow in so many different directions in the talent development field!

THE BIGGEST CHALLENGE THE PRESIDENT ROLE?

Keeping in touch with our Corporate Members and Community Leaders to spread the word about the organization while attending to the needs and recommendations with all the individual members. Everyone's opinion is valid and necessary!

2018 GOALS

1. Establish a viable board succession plan by the end of the calendar year. Work with Secretary to develop the process and procedures, and establish a board nominating committee in April.
2. Establish a process for encouraging new and renewed memberships. Increase both new memberships and renewals.
3. Leverage collaboration with professional organizations, corporate members and corporate non-members in San Diego to grow awareness of ATD San Diego's relevance to the community.
